University Library

Staff Registration form

You need an ARU ID card to enter the libraries and to borrow. The ID card is normally arranged via your Faculty or for partner institutions via your HE Coordinator. You will need to have applied for the ARU ID card before you can register with the library.

Online access to library resources is available with your ARU login and does not need you to register with the library.

Name	
Work Email Address	
ARU Department or Partner Institution	
ARU Login (ABC123)	

Return this form or the information asked for above via email to ask@aru.libanswers.com
